

## Ohio Revised Code Section 4733.19 Reciprocity.

Effective: August 6, 2002

Legislation: House Bill 337

---

A person registered or licensed to engage in the practice of engineering or surveying by a proper authority of a state, territory, or possession of the United States, or the District of Columbia, who, in the opinion of the state board of registration for professional engineers and surveyors, meets the requirements of this chapter, based on verified evidence, may, upon application and payment of the established fee, be registered.

Any person who seeks registration as a professional surveyor under this section must pass a two-hour professional practice examination, devoted to the laws and practices of this state prior to receiving such registration.
